Zurich, 14<sup>th</sup> October 2014

## Februartagung 2015

Dear Ladies and Gentlemen, dear Colleagues,

We kindly invite you to the **48<sup>th</sup> Annual Conference Physiology and Pathology of Reproduction** and simultaneously **40<sup>th</sup> Joint Congress of Veterinary and Human Medicine**

**„Februartagung 2015“ 11<sup>th</sup> – 13<sup>th</sup> February 2015 in Zurich.**

The conference will be organized by the Animal Physiology (ETH Zurich, Institute of Agricultural Sciences) and the Clinic of Reproductive Medicine (University Zurich, VetSuisse-Faculty) and take place in the main building of the ETH Zurich in downtown Zurich.

The main topic **physiology and pathology of female and male reproduction** comprises the **individual topics**:

- I. Genetics, genomics, biochemistry
- II. Gametes
- III. Estrous cycle, pregnancy and peripartum period
- IV. Periconceptional programming
- V. Biotechnologies in reproduction
- VI. Metabolic (im)balance and fertility
- VII. Inflammation and fertility

**Invited speakers are:** Claire Wathes (Royal Veterinary College, London, UK), Klaus Steger (University Clinic Gießen, D), Mats Troedsson, (Gluck Equine Research Center, University of Kentucky, Lexington, Kentucky, USA) and Anne Navarrete Santos (Martin-Luther-University Halle-Wittenberg, Halle a.d. Saale, D).

**Satellite symposia** will be held for practitioners at the Animal Hospital of the University Zurich. Topics will be **Equine Reproduction** (11<sup>th</sup> February, afternoon) and **Bovine Reproduction** (14<sup>th</sup> February).

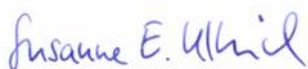

We kindly ask to spread this invitation in your institute and to submit your contributions!

**Abstract submission deadline: 3<sup>rd</sup> November 2014**

Our particularly concern is the **participation of young scientists** who will have the opportunity to present their latest research findings. Additional information related to the meeting, the conference venue, abstract submission, and a preliminary program can be found on the **conference homepage** ([www.februartagung.uzh.ch](http://www.februartagung.uzh.ch)).

We will be very happy to welcome you in Zurich for interdisciplinary and social exchange!

Yours sincerely,

Prof. Dr. Susanne E. Ulbrich

Prof. Dr. Heinrich Bollwein
